

The Feuerwasser Barrel

The special hot barrel stands out with its hygienic and durable inner tub made of high-quality **V4A stainless steel**. All other metal parts are also made from robust and recyclable stainless steel. **Tyrolean pine** was chosen for the wooden barrel, the access stairs and the three double benches inside. Thanks to the **cooperation of Tyrolean craftsmen, carpenters and locksmiths**, a well thought-out and **beautiful hot barrel is created for relaxing moments** in familiar and friendly circles of up to 6 people. The chic, glass bead blasted stainless steel external wood stove is highly efficient and easy to operate and clear out.
