

The Feuerwasser Tub

The innovative garden bathtub was specially developed for couples and singles who want to relax in nature in warm water, **saving space, resources and time**. The compact design allows bathing anywhere: on terraces, balconies, gardens and mountain pastures. Hygienic and recyclable V4A stainless steel is chosen for the inner tub and durable and beautiful Tyrolean pine for all wooden components. Thanks to the **cooperation of Tyrolean craftsmen, carpenters and locksmiths**, a **special garden bathtub** is created. It is supplied in a set with two adjustable backrests and a removable table.
